## BOARD OF EDUCATION SELECTS SCHOOL SITE AT EDNEYVILLE.

Isaac Justice Donates Four-Acre  
Tract and Citizens Vote Unani-  
mously for School Tax.

### Editor Democrat:

The Henderson County Board of Education met last Monday at Edneyville for the purpose of selecting a desirable building site on which to erect a modern school house in the newly established local tax district at Edneyville. This tax was voted, 43 for and nothing against on 8th of this month. The eight selected is a four-acre tract—beautifully situated and donated by Mr. Isaac Justice. It is the largest tract in the county used for a similar purpose.

The citizens of this community aside from this splendid gift of Mr. Justice, have subscribed \$500 to apply on the building. This will be supplemented by the State and the building to be erected will be one of the best in the county. It is on the Bat Cave-Hendersonville highway.

Mr. G. B. Hill made an offer of four acres, but the board deemed the tract offered by Mr. Justice the more desirable.

This building will be erected this summer.

Yours truly,

J. C. SALES,  
Chairman of Board.

## FRENCH REMEDY FOR STOMACH TROUBLES

The leading doctors of France have for years used a prescription of vegetable oils for chronic stomach trouble and constipation that acts like a charm. One dose will convince you. Several cases of years' standing are often greatly benefited within 24 hours. So many people are getting surprising results that we feel all persons suffering from constipation, lower bowel, liver and stomach troubles should try Mayr's Wonderful Stomach Remedy. It is now sold here by Justus Pharmacy.—Adv.

## DON'T LET YOUR LIVER GET LAZY

Dodson's Liver Tone Will Keep it  
Working and Make You Feel  
Well and Clean—No Bad  
After-Effects.

If you have allowed your fear of calomel to keep you from toning up your liver when it gets a little sluggish and lazy—try Dodson's Liver Tone, and note how quickly and harmlessly it starts the liver and relieves constipation and bilious attacks.

When you take Dodson's Liver Tone, you do not have to stay in the house all day. None of the weakening and harmful after-effects of calomel follow its use. Dodson's Liver Tone is a mild, pleasant vegetable liquid that cannot hurt either children or grown people. Yet it easily overcomes the most stubborn and inactive liver without making you quit eating or working.

These are not just claims. Justus' drug store backs up every one of these statements and agrees to refund the price of Dodson's Liver Tone with a smile to any person who pays his 50 cents for a bottle and isn't satisfied that he got his money's worth.

Imitations of Dodson's Liver Tone are another proof that it is a good thing. Nobody ever imitates a poor remedy. Be sure you get the genuine Dodson's Liver Tone—the kind that is guaranteed.—Adv. 6-18-2t

## SPECIAL ISSUE OF DEMOCRAT RECEIVED MANY COMPLIMENTS

It Was Pronounced the Best Piece of  
Advertising Literature Ever Sent  
From Hendersonville.

While the well-pleased advertisers in the special number of the Democrat issued on June 4 are receiving inquiries from various sources, the Democrat is receiving many compliments from those qualified to pass on the merits of the edition.

The Greater Hendersonville club was sufficiently well pleased with the publication to adopt a large number of copies as its official literature. When inquiries are received by the club for descriptive literature, Secretary Grimes mails a copy of the paper, which portrays the rapid growth and development, (given therein for the past year at more than half a million dollars, better than any other literature in the possession of the city. If information is desired along the lines of fruit growing, stock raising, farming, etc., articles bearing on the subject are blue-pencilled and the paper forwarded. Leading members of the Greater Hendersonville club pronounced it the best piece of literature ever distributed in this city.

There were 4,500 papers printed and distributed throughout the south. While many copies were given away at the office of the publishers for distributing purposes and 250 copies were donated to the Greater Hendersonville club, the receipts from the postoffice show that 799 pounds were mailed.

The papers went to all the bank cashiers in some of the Southern states, to the persons whose names were furnished the Democrat by advertisers and others interested, to reading rooms of Y. M. C. A.'s, automobile clubs, and numerous others. The complete issue weighed in the neighborhood of 1,000 pounds.

The paper as an advertising medium for the city and business represented therein was of especial advantage at that particular time since Hendersonville had not distributed any literature this spring and the city was badly in need of representation.

An instance could be named where an advertiser mailed copies of the paper to a distant state and one of the recipients wrote for additional papers to distribute among his friends since he desired that they know more of Hendersonville and community.

## FRENCH REMEDY AIDS STOMACH SUFFERERS.

France has been called the nation without stomach troubles. The French have for generations used a simple mixture of vegetable oils that relieve all stomach and intestinal ailments and keep the bowels free from foul, poisonous matter. The stomach is left to perform its functions normally.

Mr. Geo. H. Mayr, a leading druggist of Chicago, cured himself with this remedy in a short time. The demand is so great that he imports these oils from France and compounds them under the name of Mayr's Wonderful Stomach Remedy. People everywhere write and testify to the marvelous relief they have received using this remedy—one dose will rid the body of poisonous accretions that have accumulated for years and convince the most chronic sufferer from stomach, liver or intestinal troubles. Mayr's Wonderful Remedy is now sold here by Justus Pharmacy.—Adv.

## THE CHURCH A HARBOR FOR SOME OF THE WORST SINNERS.

In the Woman's Home Companion, a contributor writes a very important and interesting article entitled "Why Fifty Women Do Not Go to Church." A woman tells, as follows, why she has given up church going:

"The trouble with the church is that it has developed into a sort of harbor for those who are flying from their sins. People repent of their sins, and join the church to save their own souls, which is a very natural but a selfish reason. They join the church not from any broad love of humanity or desire for service, but because they desire to escape damnation. The fundamental requirement, according to orthodox, is not works but faith; no matter how upright and irreproachable a man's life has been; no matter how benevolent nor how broad his service to humanity; no matter what good he has accomplished in the world, if he has not accepted the orthodox faith he is lost. On the other hand, a man may have been a lifelong criminal with scarcely a redeeming act, but when he comes to die he makes some sort of confession of faith and passes on to eternal bliss. I like to think of the gates of mercy as being ever ajar, but it is ridiculous to contend that the just and upright man whose only fault was lack of faith will be shut out."

## TEWART-WILLEFORD ANNOUNCE- MENT.

## A DOCTOR'S GRATEFUL TESTIMONIAL.

Dr. C. H. Lee, Newcastle, Pa., writes: "About 18 months ago eczema broke out in my right ankle and spread to my knee. The itching was intense. In three or four months it went to the left ankle and leg. I got no relief until six months ago, when I tried EX-ZEMA-FO. The first bottle allayed the itching, with the second bottle, to my delight, improvement began and I am now about well. In Mr. F. Dunlap's case, his hands were in a terrible condition, but he made a very rapid cure. Gladly use my name, if it can be of any use to you." EX-ZEMA-FO is the only remedy for Eczema, Tetter, Salt Rheum and all skin troubles. Sold with the guarantee that unless results are satisfactory to the buyer the money is refunded.
